

Function

A clear sheet of pulsating water capable of assuming dual forms. The effect can be changed from mushroom to bell by simply reversing the top cone. Quiet and splash-free. Ideal for small areas which are free of wind.
Not water level dependent.

Specification

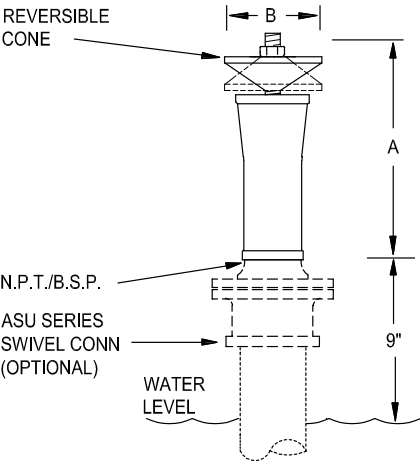

Construction shall be machined cast bronze and brass, top cone is reversible.

Options

ASU Series - 15° swivel connection for directional alignment of nozzle

Notes

- For optimum effect
- 1. Requires fine screening at pump (see performance chart)
 - 2. Requires non-turbulent water supply.
